

Software QA Engineer Kraków

2012-01-03 08:58:56

Sabre Holdings connects people with the world's greatest travel possibilities by retailing travel products and providing distribution and technology solutions for the travel industry through our three companies: Travelocity, Sabre Travel Network and Sabre Airline Solutions.

Headquartered in Southlake, Texas, Sabre Holdings has approximately 9,000 employees in more than 55 countries. Our teams around the world work together to support travelers, travel agents, corporations, government agencies and travel suppliers.

Our team members are people who take initiative, are resourceful and innovative, and are passionate about what they do. In return for their hard work and dedication, Sabre Holdings provides our employees with countless learning and growth opportunities, a healthy work-life balance and a fun, yet productive, work environment.
